

(9/23/2009) Some Reference Training Handouts

Here are some popular handouts that I updated and distributed at “Using the GSA Schedules for Services” classroom training:

1. NAICS Codes to Service Schedules and Then to Service SINS. (Both updated 8/7/2009.) These two are meant to be used together:

- a. [Some Services SINS on GSA Multiple Award Schedules](#) (07 AUG 09)
- b. [NAICS Codes Cross-Referenced to GSA Schedules with Services](#) (07 AUG 09)

2. GSA Schedule Task Order Checklist (9/21/2009)
[GSA Schedule Task Order Checklist](#) (D. Clemens, 9/21/2009)

3. Multiple Award Schedules Desk Reference (Summer 2008 version 5-08-00265 with my 9/23/2009 updates and comments in endnotes)

[1/31/2011 update note: GSA now has a [Summer 2010 Edition](#) of the *MAS Desk Reference* on its websites. I have not reviewed or annotated that document.]
